

THE 1966 SOCIETY

NAMED FOR THE YEAR THAT EAST HOUSE WAS FOUNDED, the 1966 Society honors our most dedicated supporters. East House's continued ability to serve individuals in recovery from mental health and substance use disorders would simply not be possible without your commitment.

Gifts to East House help sustain our core programming and grow our most valuable recovery support programs. Your investment in East House makes a measurable, and sometimes life changing, difference.

Membership is based on cumulative unrestricted donations made during the calendar year that exceed \$1,000.

Benefits of membership include:

- Recognition in our Advance donor newsletter and annual report to the community
- Exclusive communications from the President to keep you abreast of the difference your investment is making
- Invitations and recognition to our donor events and private facility tours

THE IMPACT OF YOUR INVESTMENT

Many of our most impactful resources are fully funded through private giving.

85 clients accessed emergency funds, provided solely through donations to prevent things like housing loss or supporting new parents with supplies

171 people avoided costly hospitalization and stabilized at Affinity Place, our short-term respite center.

18 Peer Mentors with lived experience provided more than 2,887 hours of client support (which equals more than 120 days)

Thank you for your continued generosity.
