

BECOME AN EAST HOUSE ANGEL

The Holidays are approaching!! Plan now to participate in the East House Angel Project.

Many East House clients, recovering from mental illness and/or chemical dependency, are unable to purchase a holiday gift for their children. Perhaps you will participate in the *East House Angel Project*? You or your group can help East House with a need that may not otherwise be fulfilled. Last year, more than 200 holiday gifts were donated to East House for clients to give to their children. We appreciate your support, which made this possible. In addition, \$1500 in cash donations helped us to purchase children's gifts and send clients' children to camps this past summer.

A gift valued at \$10-\$15 is appreciated, and a personalized wish for each child will be suggested. We hope that you will help us fill the need, whether it's purchasing a gift or helping to fund the Angel Project, so our clients can celebrate the gift-giving season with their children. Upon receiving gifts for her children, one client said, "How nice that someone has done this for me and my child. I can't believe it!"

If you would like to be an East House Angel, complete and mail or fax the form below to:

For credit card or electronic checks, visit www.easthouse.org and click "Donate Now" and select "Angel Project" under designation. If you do register to purchase a child's gift, you will be sent a card in November stating the child's first name, age, gender and 2 to 3 wish suggestions.

Please bring your gifts to East House between 8:30 – 4:30 pm by December 9, 2011. (Donations of wrapping paper and bows are also appreciated.)

For Adult Clients: donations of adult hats, gloves and scarves are also welcome for the holidays. Many of our clients who walk or take the bus to their medical and job training appointments, do not have adequate winter clothing.
